

Dear PLANTMETALS members, we would like to invite you to our 2024 Annual Meeting in Ljubljana.

As usual, the meeting will include invited lectures, talks from submitted abstracts, a poster session (with best poster awards) and the MC Meeting. There will be ample opportunities for discussion during the coffee breaks, shared mealtimes, and the two planned dinners.

In addition, we have included an excursion to a UNESCO Heritage Site of a historic mercury mine and the effects of this mining on the surrounding vegetation.

Online registration: <https://forms.gle/18i8ppkhrAeTJVS96>

For more information about the 2024 Annual Meeting, rules for posters and abstracts, please check the PLANTMETALS events page at www.plantmetals.eu/plantmetals-events.html
